

1 FTS Overview of Operations

Doss Aviation, has the contract for US Air Force Initial Flight Screening (IFS) in Pueblo, CO. This program provides screening for all US Air Force pilot candidates, Combat Systems Officer (CSO) candidates, and Weapons System Officer (WSO) candidates before their follow-on training, including Undergraduate Pilot Training (UPT) at Laughlin AFB, Vance AFB, NAS Whiting Field and Columbus AFB, Euro-NATO Joint Jet Pilot Training (ENJJPT) at Sheppard AFB, Undergraduate CSO/WSO Training (formerly UNT - now at Randolph AFB and Pensacola, FL).

Initial Flight Screening

The 1 FTS screens nearly 1700 students in a fleet of 44 DA-20s each year. Pilot and Combat System Officer students receive ground and flight instruction spanning 22 and 18 days respectively, all of this occurs in a 200,000 square foot, state-of-the-art facility renovated solely for this purpose.
