

BIOGRAPHY

UNITED STATES AIR FORCE

MS. AMY L. GRAVELEY

Ms. Amy Graveley is the Director of Logistics, Engineering and Force Protection, Headquarters Air Education and Training Command, Joint Base San Antonio-Randolph, Texas. The directorate provides supply, transportation, civil engineering, and security forces support for 12 bases. The directorate also oversees plans and policies supporting integration of new weapons systems into the command inventory, including the T-7A, F-35, MH-139A and HH-60W.

Ms. Graveley was the Chief, Weapon System Sustainment Division, in the Resource Integration Directorate under the Deputy Chief of Staff for Logistics, Engineering, & Force Protection, Pentagon, Washington, D.C.

As a fully qualified aircraft maintenance officer, she served in a diverse range of leadership, management, and staff positions, to include assignments as a backshop and flightline maintenance officer, Air Force Intern serving on the Deputy Chief of Staff for Installations and Logistics and Office of the Chairman of the Joint Chiefs of Staff staffs, squadron commander, and operations officer. She began her federal civilian career in July 2007, serving as the Deputy Director of the 47th Maintenance Directorate. She then completed the Civilian Strategic Leader Program, assigned to the Deputy Under Secretary of the Air Force (Management) (formerly the Office of Business Transformation) in Washington, D.C. Ms. Graveley also served as the Chief, Continuous Process Improvement Policy and Training Division, in the Management Improvement Directorate under the Deputy Under Secretary of the Air Force (Management).
