JOINT BASE SAN ANTONIO-RANDOLPH, Texas – Air Education and Training Command recently opened on its website a location for media to access a wide-range of information and resources about the U.S. Air Force’s First Command.

The media room is intended to provide a useful, unfiltered space for journalists, containing contextual information, supplemental visual resources and AETC points of contact.

Press products available to journalists include all Media Advisories, News Releases, redacted reports, available transcripts, fact sheets, leadership biographies, photographic and video material, press kits and other resources relating to AETC.

The dedicated media website also directly links to the Defense Video Imagery Distribution System, also known as DVIDS, from which journalists can readily download an assortment of AETC b-roll, video products, and imagery. To register a free account on DVIDS to access all of AETC’s documented video and photographic imagery click [HERE](#).

Additionally, the media room contains contact information of bases throughout AETC, for journalists to easily inquire about any AETC issues of interest.

Media are highly encouraged to save the page for easy access. Recommendations and comments to improve the media room can be sent to aetc.pao@us.af.mil and would be greatly appreciated.
