Learning Theory Applied Badge

Evidence Worksheet

The awarding of this badge requires the earner to submit the list of "evidence artifacts" listed for each of the four activities.

Activity 1:

Complete a Training Developer's course (Criteria URL: https://cs2.eis.af.mil/sites/app10-ETCA/SitePages/Home.aspx)

Evidence: Provide course syllabus and certificate

Activity 2:

Conducts front analysis (FEA) based on stakeholder requirements to determine learning gaps and opportunities. Document requirements and makes recommendations on possible learning inventions based on these findings.

Evidence: Submit findings/results report

Activity 3:

Based on the FEA findings, design and develop a block or unit of instruction using one or more of the four learning theories (behaviorism, cognitivism, constructivism, and connectivism).

Evidence: Submit Unit/Lesson plan

Activity 4:

Validate instruction by conducting small group tryouts.

Evidence: Submit validation report
